1. Dan, you are one of the best math teachers I have had and you taught me more than you will ever know. Best wishes!

2. Great instructor very easy to understand

3. Dan is the best instructor I have ever had.

4. I really enjoyed having Dan as a teacher. He was very positive and helpful, both during and outside of class.

5. Dan was very funny, and made me want to do Calculus

6. Dan, you were great :) The best teacher at USC yet! Thanks for being so patient!

7. Dan does a great job at teaching math. He is the best math teacher I have ever had. I love the stories he tells and his willingness to help.

8. Very helpful. Definitely was open to helping students and wanted to make sure class learned.

9. Encouraged students to learn. Related well to students.

10. Dan is the best instructor I have ever had. After first semester I did not want to take another math course, but Dan has restored my faith in USC’s math dept.

11. I really enjoyed having Dan as a teacher. He was very positive and helpful, both during and outside of class.

12. Was fun and made Calculus fun.

13. Dan was great! Always willing to help or re-explain anything!

14. He really makes math fun. Great, down to earth teacher who has no problem helping students. I would definitely recommend him to other students. Best Math Teacher I have ever had.

1. Dan is an excellent teacher. He is by far the most enthusiastic and willing to help teacher I have ever had. He would sacrifice his own personal time to help all his students.

2. was a very good, helpful, and fun teacher.

3. Great teacher

4. Dan is awesome! My favorite teacher this year.

5. Excellent professor!

6. Dan Baczkowski is the best instructor at USC. I recommend him.

7. Dan was a great professor and always knew exactly what he was talking about. He also made sure that we understood the material.

Fall 2005 overall averages (0-4 scale)

1. Great guy. Down to earth and very smart. Knows what he is talking about.

2. Always good attitude and always willing to help.

3. Dan was a good teacher that knew and conveyed the material well. He was helpful and entertaining. Would recommend.

4. Some stuff was hard for me to understand. He was a good teacher and always had a positive attitude.

5. Dan was able to explain why things happen.
6. Dan was a very good teacher. He knew the course work very well and explained it accurately and to the best of his ability. Hopefully I will get a teacher like him in calculus.

1. Dan is friendly, open-minded, and easy to talk to about a course or anything.

2. had a good, positive role in class and encouraged learning.

3. Great teacher, knows subject, makes it fun.

4. I very much enjoyed class with Mr. Baczkowski. Not only did we learn all the material but he taught it in a way to keep us interested. I will definitely take another one of his courses.

5. Dan is one of the best teachers that I have had since coming to Carolina, and by far, the best math teacher I have ever had.

6. Awesome teacher!!! Very down to earth.

7. Always made sure we understood.

8. Enthusiastic.

9. Always makes sure we understand the material, and is enthusiastic about the subject.

10. Dan was very excited about the subject of math, and this was encouraging as far as getting others excited as well!

11. Great understanding of all the material, and really wants his students to understand as well!

12. He enjoys teaching math. He is a great teacher!
